New Product Announcement

vivoactive® 3 Music GPS Smartwatch with Music

Put your songs on your wrist with vivoactive 3 Music. This GPS smartwatch with music storage is built for the active lifestyle. It also offers Garmin Pay™ contactless payment solution¹, so you can leave your cash and cards at home. And you'll find even more ways to beat yesterday with more than 15 preloaded sports apps, wrist-based heart rate², VO2 max, all-day stress tracking² and more.

KEY FEATURES:

NEW	MUSIC STORAGE AND PLAYBACK	With the vivoactive 3 Music smartwatch, easily download up to 500 songs directly from your computer, or download offline playlists from select streaming services, including iHeartRadio. Once your playlists are loaded, pair vivoactive 3 Music with a set of compatible headphones enabled with Bluetooth® technology (sold separately), and go.
	GARMIN PAY	Garmin Pay contactless payment solution ¹ lets you make convenient payments with your watch, so you can leave your cash and cards at home.
	CONNECT IQ™	Personalize your watch with thousands of free watch faces, data fields, apps and widgets from our Connect IQ store.
	BUILT-IN SPORTS APPS	More than 15 preloaded GPS and indoor sports apps, including yoga, cardio, running, swimming and many more.
	WORKOUTS	Create and download a new workout. vivoactive 3 Music captures the exercises, reps, sets and rest time for strength and cardio workouts. Also includes running and biking workouts.
	GARMIN ELEVATE™ HEART RATE	Elevate wrist heart rate technology gives you all-day heart rate monitoring ² at the wrist.
	WELLNESS MONITORING	All-day stress tracking and a relaxation breathing timer to help manage stress.
	FITNESS MONITORING	Get better insight into your current fitness level using VO2 max and fitness age.
	CONNECTED FEATURES	Includes smart notifications ³ , weather, calendar, Find My Phone and Find My Device. vivoactive 3 Music also has the ability to respond to text messages or reject phone calls with prewritten responses ⁴ , LiveTrack, automatic software updates and automatic uploads to the Garmin Connect™.
	GARMIN CONNECT™ MOBILE APP	Garmin Connect is an online community where people can connect and compete by joining challenges, encourage each other's successes and share triumphs via social media. Garmin Connect is free and available on your smartphone with the Garmin Connect Mobile app.
	BATTERY LIFE⁵	Up to 7 days in smartwatch mode and 5 hours in GPS with music mode.
